

The Smoky Mountain Books

AUTHOR'S WEBSITE: www.linstepp.com

A linked series of upbeat, sentimental contemporary romance novels. Each novel is set in a different area of the Smoky Mountains so that the reader gets to experience a visit to a new area of the Smokies along with the rich pleasure of a good Southern story about memorable characters.

Dolly Parton says of the series: "Well, I've finally come across someone that believes in all the things that I do... love, family, faith, intrigue, mystery, loyalty, romance, and a great love for our beloved Smoky Mountains. Dr. Lin Stepp, I salute you."
